### 1) Corruption In the Danish State Family Law System

([picture source](#))

The various authorities involved with the **Danish State Family Law System** are **CORRUPT**.

Simply put: **The 'system' has to go!**

**The situation is very serious:** Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen](#), [Familiereftsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '[børnesagkyndige undersøgelser](#)' (English: *child welfare investigation*) since at least 2009 - will have to be investigated (and I believe by the police)...and people involved will have to '**resign**' (or be **fired!**).

I have a *claim* on breeches of several sections of Danish Penal Law ([Straffeloven §146](#), [§155](#), [§156](#), [§157](#), [§163](#), [§215](#), [§261](#)) by the staff from authorities involved.

### Justice Soldier

Justice Soldier fighting against **Danish State Institutional Racism & Sexism**, committed by **Danish state authorities** and cover-up by **Danish Government Ministers** in the family law arena.

### BLOG: Justitsmord Cover-up

**In a nutshell:** This case is all about CHILDREN.

This blog is an **exposé** regarding "Justitsmord" (miscarriage of justice) and related cover-up involving several **Danish** state authorities and government ministers.

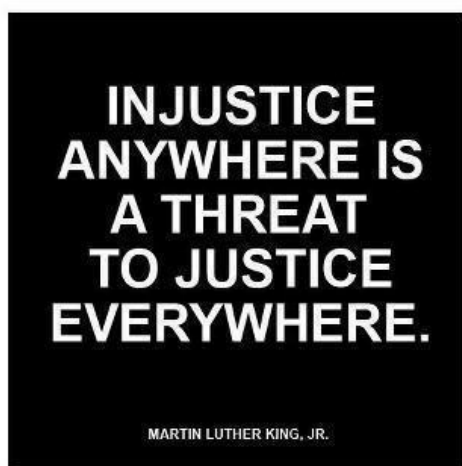

Due to **Danish state corruption**, '**Institutional Racism**', and **institutional sexism**, in February 2011, my time with my children was **illegally and fraudulently** changed and reduced from 1 week every other week, to just 4 days every other week.

I have a claim on breeches of several sections of Danish Penal Law (**[Straffeloven §146](#)**, **[§155](#)**, **[§156](#)**, **[§157](#)**, **[§163](#)**, **[§215](#)**, **[§261](#)**).

## 2) A system of Justice

([picture source](#))

*"Injustice anywhere is a threat to justice everywhere"*...These are the words of [Dr Martin Luther King Jr.](#)

What does this well known quotation actually mean?

I take this well known quotation to mean, that **YOU** should fight injustice wherever **YOU** encounter it.

Many people encounter **injustice** through their involvement with the **Danish State Family Law System**.

In fact, the present incarnation of the **Danish State Family Law System** has to be scrapped.

If it was possible for the **Berlin Wall** to come down, and if it was possible for the **South African System of Apartheid** to fall, it must be self evident that the present incarnation of **The Danish State Family Law System** has to **suffer** the same **fate**.

## 3) FIGHTING BACK!

Links to actual (anonymised) case documentation proving "Justismord" are provided in the articles.

**The situation is very serious:** Every decision made by Statsforvaltningen, Ankerstyrelsen Familieretsafdeling, Psykolognævnet, and Kommunes - especially those involving 'børnesagkyndige undersøgelser' (English: *child welfare investigation*) - will have to be investigated by the **police** and people involved will have to '**resign**' or be '**fired**'

Those in **The Danish State Family Law System** seem to have forgotten that they are **public servants** and should follow **the law of the land**.

Every system can be made to fail, if you can **identify** and **exploit** its main weakness.

**The Danish State Family Law System** *relies* on people giving up, not fighting back against its injustices, and the injustices being covered up.

Get it? I shall state that again:-

*"The Danish State Family Law System relies on people giving up, not fighting back against its injustices, and the injustices being covered up."*

**Logic** dictates that in order to prove that **The System** is corrupt, one has to make *use* of **The System** whilst **exposing** it.

I believe that **The Danish State Family Law System** will **crumble** in the process of **fighting back** and by **using The System** against **itself**, whilst fully **exposing** it.

**I have decided to fight back and attain justice.**

#### **4) Spreading The Word - YOU can FIGHT BACK, too!**

PICTURE: [Justice Soldier Facebook Page](#)

In much the same way a **thief** has difficulty in operating after being **exposed** for all to see, **The Danish State Family Law System** must be exposed for the **world** to **see**.

I have been told that there are others with similar cases, but they have been *unable* to **fight back** - this is saddening - so I **fight** for them, too.

If you also would like to **fight back**, help spread the word.

If you want to **FIGHT** the **INJUSTICE** in **The Danish Family Law System**, then "[Like](#)" my [Facebook page](#) and [posts](#) so that this

information goes **VIRAL**.

There should be no hiding place for the **corrupt actions** of those in  
**The Danish Family Law System**

##### **5) POLITICAL CONSEQUENCES & POLITICAL CURRENCY**

([picture source](#))

[Danish Prime Minister Helle Thorning-Schmidt](#), who, *as the governments most senior minister, has a general duty to supervise the other ministers.*

**PHOTO:** [Danish Prime Minister Helle Thorning-Schmidt](#)([source](#))

My case documentation proves that I have given [Former Minister Karen Hækkerup](#) & [Former Minister Margrethe Vestager](#) evidence that I believe substantiates my claim on breeches of Danish Penal Law ([Straffeloven §146, §155, §156, §157, §163, §215, §261](#)) by the staff from authorities involved.

Read [Psychologist Lars Diemer's Report 1st Page. Guidelines. Law. & Ethics](#) - (Proof of fraud and breeches of [Straffeloven](#)?)

[Former Minister Karen Hækkerup](#) & [Former Minister Margrethe Vestager](#) chose to do nothing...is this a cover-up?

**PHOTO:** [Former Minister Karen Hækkerup](#) & [Former Minister Margrethe Vestager](#)(left)

**Karen Angelo Hækkerup** and **Margrethe Vestager** are ministers no more and are no longer exempt from Danish Penal Code (Danish: [Straffeloven](#)) [§155, §156](#), and [§157](#).

What is the [Danish Prime Minister Helle Thorning-Schmidt](#) going to do about it?

There is less than one year until the next [Danish General Election](#).

Can [Danish Prime Minister Helle Thorning-Schmidt](#) afford a very serious and truly major scandal?

• **Similarities with The [Tamil Case](#) (Danish: [Tamilsagen](#))**

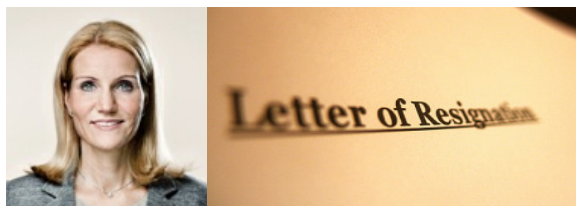

(PHOTO [SOURCE](#))

In much the same way that The [Tamil Case](#) (Danish: [Tamilsagen](#)), caused the **Danish government** of that time to collapse, the **existing Danish government** can also be made to **collapse**.

Like the The [Tamil Case](#) (Danish: [Tamilsagen](#)) Danish government ministers and senior ministry staff have been made fully aware of the problems and claims on breeches of Danish Penal Code (Danish: Straffeloven)

**6) Should [Danish Prime Minister Helle Thorning-Schmidt](#) Resign?**

**PHOTO:** [Danish Prime Minister Helle Thorning-Schmidt](#) [\(source\)](#)

**The situation is very serious:** Every decision made by [Statsforvaltningen](#), [Ankerstyrelsen](#), [Familiereftsafdeling](#), [Psykolognævnet](#), and Kommunes - especially those involving '[børnesagkyndige undersøgelser](#)' (English: *child welfare investigation*) since at least 2009 - will have to be investigated (and I believe by the police)...and people involved will have to '**resign**' (or be **fired**!).

Ministers chosen by [Danish Prime Minister Helle Thorning-Schmidt](#) have failed to act **appropriately** and **professionally** when given clear facts.

Should [Danish Prime Minister Helle Thorning-Schmidt](#) **resign**?

## **FREEDOM OF EXPRESSION**

([picture source](#))

This case is truly in the public interest.

This case cannot withstand the light of day..*Sagen tåler ikke dagens lys!*

I assert my rights to freedom of expression as described under Article 10 of the [European Convention on Human Rights](#), and Article 19 of [The Universal Declaration of Human Rights](#), and [§77 of The Constitution of Denmark](#).

I call on several journalists to *write about my blog*...this way you can be free of blame, leaving me to stand as responsible for the content of my blog.

This is a truly unique opportunity for some very serious investigative journalism.

I am in the process of contacting journalist.

Are the Danish press too scared to act?

Is it highly possible that this case and others will be first exposed in newspapers outside of Denmark?

See the following 'anonymised' case documentation.

#### **CASE DOCUMENTATION**

([PICTURE SOURCE](#))

The following are links to the actual case documents to/from the authorities involved.

My documentation shows that for three years I have continuously battled with the system, and all the 'right people' know about the problems people from the authorities **knowingly** not doing their jobs properly and breaking several laws including Straffeloven (Danish Penal/Criminal Law).

Except for the names of Ministers (who are in the public eye), most names and other information has been 'anonymised'.

Since there is actually quite a bit of information to anonymise and to upload, I have decided to do this piecemeal on a daily basis...**so check back regularly to see updates.**

Folketingets Ombudsmand decision makes sense as I have a claim of breeches of [Straffeloven §146, §155, §156, §157, §163, §215, §261](#)

Breeches of [Straffeloven](#) can **only** be investigated by the police (and anklagemyndighed).
